Questions?

Please let us know if we can be of any help or if you
have any of your own ideas for getting involved.
Contact Dave Lynch (President) and the rest of the
steering committee at PTC@cvchristian.org

(please tear off and turn in to the office)

Our Why...

As individuals who benefit from the mission and service of Cedar Valley Christian School and as stewards of the gospel, this school, and our children, the PTC exists to assist and supplement the school, thereby providing a more full and rich learning experience and encouraging spiritual growth. To help Cedar Valley Christian School thrive, and by thriving, create an infectious excitement, an outstanding academic institution, and culture that not only impacts the lives of our students, but also our parents, teachers, and community. And in thriving, grow, by making this a place that people from outside know about and want to be part of. To that end, the PTC has two main pillars, that in addition to the mission statement, are used as guiding principles to form, shape, and evaluate the goals and activities of the PTC.

Connect...

We want to cultivate a family culture that supersedes individual grades or extracurricular activities by creating a community of teachers, parents, and staff in which each member feels valued and encouraged. We strive for this community to enrich and encourage each member's life and impact every student as well.

Contribute...

For our school to thrive, each family must be fully invested in our school, using their resources of time, money, and specific gifts to better our school. With an eye to the future, we aim to develop a culture of doers which will transform our school for generations to come.

AREAS OF SERVICE

NEW FAMILY RESOURCE COMMITTEE

We will be reaching out to new families of Cedar Valley Christian School to make sure their transition to the school is positive, and they feel welcomed as part of the school's community. Through the creation of New Family Ambassadors, we are working to bridge the gap and tighten the community between veteran and new CVCS families. The mission is that every new family will feel comfortable and connected.

SOCIAL COMMITTEE

This committee provides opportunities for relationship and community building within our school as well as the PTC itself. Events this year may look different; however, the goal of this committee is to create events and opportunities for fun times and social gatherings that will build community between fellow CVCS parents and families.

PRAYER AND ENCOURAGEMENT TEAM

The prayer of a righteous person is powerful and effective. (James 5:16b) The Prayer and Encouragement Committee will be responsible for praying for each staff member and student at the school throughout the year and encouraging those individuals with notes and reminders that they are loved, supported, and individually prayed for. Especially in these crazy times, we aim to uphold and support one another in prayer and tangible expressions of encouragement.

Our Mission:
To serve and assist the teachers, parents, and students at Cedar Valley Christian School by forming a community of parents and families that serves our school and Jesus Christ.
