At CVCS, we exist to make disciples. Our aim is to partner with parents in their God-given responsibility to raise their children in the discipline and instruction of the Lord (Deuteronomy 6 & Ephesians 6).

To help assist and equip you in this role, for the 2024/25 school year, we have dramatically reduced the list of school supplies needed from each individual family; CVCS will provide the normal school supplies that each child needs. You will also note that a Bible is no longer listed as a school supply. We value the Bible as the source of God's unchanging truth; therefore, we are excited to gift each student a Bible this year and spend time studying it together.

We value parents as the biggest influence in a child's spiritual development; therefore, instead of an August rhythm of fighting crowds and over spending on school supplies, **please use those resources of time and money to invest in your relationship with your child(ren).**

Here's what it could look like:

*Ask about what they're looking forward to/dreading/nervous about in regards to the year ahead.

*Open up the Bible together and find a promise you can claim for the coming year.

"I am with you always, to the end of the age." (Matthew 28:20)

"My God will supply every need of yours according to his riches in glory in Christ Jesus." (Philippians 4:19)

"God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work."

(2 Corinthians 9:8)

*Take time to pray together for your student, your family, and our school.
